2014 Call for proposals

DETAILED PROJECT DESCRIPTION

(To be attached to the eForm)

PART D - Characteristics and relevance

D.1. Why does your organisation wish to undertake this Action?

Summary of the proposal

- Brief write up of the key points.
- Background and rationale of the proposal.
- Objectives, activities, main outputs, outcomes and impact including indicators of achievement.

Demonstrate evidence of academic added value, promotion of European Union studies and outline how the proposal impact on the specific subject area of study at an international level. Please outline to what extent the proposal fosters the development of existing and new teaching and debating activities (including new methodologies, tools and technologies), how it demonstrates evidence of academic added value, how it promotes European Union studies at the host institution and gives greater visibility to this field of study at a national level. Please also provide a short overview of the state of play of EU studies in your Faculty/Institution/Country and indicate to what extent your project responds to an identified need to develop this field of study (limit 4000 characters).

D.2. Relevance of the proposal to the objectives of the Action

Please select as appropriate, in relation to the general objectives of the Erasmus+ Programme for Jean Monnet, the proposal aims to:

- promote excellence in teaching and research in EU studies
- equip students and young professionals with knowledge of European Union subjects relevant for their academic and professional lives and enhance their civic skills
- foster the dialogue between the academic world and policy-makers, in particular to enhance governance of EU policies
- promote innovation in teaching and research (e.g. cross-sectoral and/or multi-disciplinary studies, open education, networking with other institutions)
- mainstream and diversify EU-related subjects throughout the curricula proposed by higher education institutions to their students
- improve the quality of professional trainings on EU subjects (with modules that deal with EU subjects more in-depth or extend to new subjects)
- foster the engagement of young academics in teaching and research on European subjects

Please select as appropriate and specify how the proposal addresses these objectives in the text box provided below (limit 6000 characters).

Please select as appropriate and specify in the text box provided the relevance of the proposal to the objectives of the Action (limit 6000 characters).

For Jean Monnet Modules:

- promotes research and first teaching experience for young researchers and scholars and practitioners in European Union issues
- fosters the publication and dissemination of the results of academic research
- creates interest in the EU and constitutes the basis for future poles of European knowledge, particularly in Partner Countries
- fosters the introduction of a European Union angle into mainly non EU related studies
- delivers tailor-made courses on specific EU issues relevant for graduates in their professional life

For Jean Monnet Chairs:

- deepens teaching in European Union studies embodied in an official curriculum of a higher education institution
- conducts, monitors and supervises research on EU subjects, also for other educational levels such as teacher training and compulsory education
- provides in-depth teaching on European Union matters for future professionals in fields which are in increasing demand on the labour market
- encourages, advises and mentors the young generation of teachers and researchers in European Union studies subject areas

For Jean Monnet Centres of Excellence:

- gathers the expertise and competences of high level experts (including Jean Monnet Chairs and/or Module coordinators)
- develops synergies between various disciplines and resources in European Union studies
- creates joint transnational activities and structural links with academic institutions in other countries
- ensures openness to civil society

D.3. Relevance of the proposal to priority target groups

The proposal is relevant to the following priority target groups (please select as appropriate to the Action concerned):

- institutions established in countries not covered by the Jean Monnet activities
- institutions or academics not yet in receipt of Jean Monnet funding
- specific EU related subjects in studies which have limited exposure to but are increasingly affected by European aspects
- students who do not automatically come into contact with European Union studies (in such fields as science, engineering, medicine, education, arts and languages, etc.)
- policy makers, civil servants, organised civil society and the general public at large

The proposal has a potential impact on:

- the institution hosting the Jean Monnet Action
- on the students and learners benefiting from the Jean Monnet Action
- on other organisations and individuals involved at local, regional, national and/or European levels

Please specify the relevance of the proposal to the specific target groups of the Action (institutions in countries not covered by the Jean Monnet activities, academics not yet in receipt of Jean Monnet funding, audiences with limited exposure to EU related subjects, including students in disciplines in which EU studies is not a traditional feature) (limit 6000 characters).

Part E - Participating organisations - teams

E.1. Aims and activities of the organisation

Please provide a short presentation of your organisation (key activities, affiliations, size of the organisation, etc.) relating to the area covered by the action. (limit 2000 characters).

It is important that ALL related activities are detailed in Section F of the application form.

⁷ For example, first semester, first year, second year etc.

PART G - Impact, dissemination and exploitation

G.1. Expected impact of the project

Please describe how the target groups will be reached and involved during the life of the project and how the action will benefit the target groups within the host institution and at local, regional, national and or European level. How will your project contribute to stimulating knowledge on the European integration process and to enhancing the visibility of scientific resources and academic activities in this field? (limit 3000 characters).

G.2. Dissemination and exploitation strategy

How will the dissemination be organised and how will exploitation activities ensure optimal use of the results within the project's lifetime and after? How will exploitation activities ensure optimal use of the results in terms of teaching activities and/or research and debating outputs both within and outside the host institution? To what extent have open educational resources been used to reach a wider public? (limit 3000 characters).

G.3. Quality control and Monitoring

Please explain what mechanisms have been put in place for ensuring the quality of the project and how the evaluation of the outcomes of the teaching activities will be carried out (limit 3000 characters).

PART H. Curriculum Vitae and full list of publications

The template provided must be completed by each member of the academic staff. Please use one table per staff member and add as many tables as required (by copying and pasting the template table).

Please note that as submission size limitations are very specific (maximum 5 MG for the application e-Form and all its attachments), you are asked **not to include photographs or graphics** in the model curriculum.
